Tudor Glass Ltd guarantees for a period of Five years from the date of delivery on all sealed units manufactured by them against faulty workmanship and/or materials provided reasonable care has been taken by the end user to maintain the installation during this period.

There are specific maintenance recommendations regarding Sealed Units such as;

- Glass is handled, stored & fixed in accordance with GGF Guidelines
- Window drainage is kept clear from obstructions.

The warranty extends to supply only of the unit(s) to the original purchaser and is non-transferable.

Maintenance is the responsibility of the end user and failure to comply could invalidate the Warranty.

This guarantee does not come into force until goods are paid for in full.

The guarantee does not cover:

- Minor imperfections in the glass outside the scope of the Glass and Glazing Federation (GGF)'s visual quality standard.
- Damage or faults due to accident misuse or neglect by person(s) or by the use of improper cleaning materials; the repositioning of any product by you or by person(s) other than qualified personnel.

Easy Cleaning glass (Pilkington Activ & Solaglas Bioclean) should be installed and maintained in accordance with the manufacturers recommendations. Details are available on request.

Any claims should be accompanied by at least the original invoice number to validate the claim & once replaced the faulty item(s) must be returned to our works for inspection.
